

# The Alani

4 bedrooms

The Alani 34 is the ultimate in modern living. Combining practicality with comfort, this home makes entertaining a breeze. From the heart of the home, the classic kitchen overlooks the family room, rumpus room and past the meals area into the alfresco area.

Features include a massive butlers pantry, a spacious master suite with a relaxing spa and double shower with tiled base.

Complete integrated design makes the Alani 34 the top choice for the modern family.
